

AVES AV-HG25+AV-FS15 WS5 CLEAR FACE SHIELD

Article No.: 3417AV878

Engineered to be comfortable, industrial-grade face shield offers enhanced protection with its molded polycarbonate construction, designed to withstand high temperatures and provide excellent UV protection. Equipped with comfortable ABS headgear and padded browguard, it's ideal for extended use in demanding environments. Perfect for welding and other industrial applications, ensuring both safety and durability.

FEATURES AND BENEFITS

Molded Polycarbonate face shield with excellent protection for industrial applications. Designed to fit AV-FS15 models (AV-VB10/20/30) and provides UV protection of 99.9%. Heat tolerance up to 265 degrees ensures durability in high-temperature environments. The headgear features padded cotton browguard and an adjustable ratchet system, enhancing comfort during extended use.

SPECIFICATION

Face Shield Material	: Molded Polycarbonate
Thickness	: 0.07"
Dimensions	: AV-FS15 (15.5" x 8" x 0.07")
Face Shield Color	: Welding Shade 5
Headgear Material	: ABS
Headgear Color	: Yellow

STANDARD

ANSI Z87.1-2003, CE EN166-B

PROTECTION

Provides protection against dust, dirt, and impact, making it suitable for industrial applications.

CE EN166
ANSI Z87.1

Application:
Excellent protection for industrial applications.
